The low-slung design continues the firm's experimentations with the floating, rectilinear frame. The Mountain Lake Residence shares many similarities with Strang's preceding design for Lake House,

STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, reflects

IN DESIGN AND REAL ESTATE, some things are just meant to be. Andy Gilon and Astrid Alves were so enamored with Coconut Grove's Rock House, the name renowned architect Max Strang gave to

cross the Gulf Coast, resilient design has become less about creating a fortress and more about working with the forces that shape its environment. When Hurricane Ian struck in 2022, followed by Helene

Traditional rigid photovoltaic (PV) support structures exhibit several limitations during operational deployment. Therefore, flexible PV mounting systems have been ...

The design of the photovoltaic bracket needs to be customized according to the size and shape of the solar panel to meet the installation requirements in different environments.
