Suitable for both on-grid and off-grid scenarios, our cabinets convert fluctuating energy prices into predictable costs, ensuring uninterrupted power supply for production lines even during grid outages,

Almost a year-long investigation into the massive explosion in California, the Yolo County District Attorney announced it charged eight people.

PROVIDENCE, R.I. -- Investigations are underway after about a dozen people were injured in an explosion at an East Providence, Rhode Island, industrial plant on Wednesday night.

Safety designs such as water and electricity separation, three-level fire protection + explosion venting + exhaust, liquid cooling + dehumidification design, all ensure the safety of the energy storage

The explosion last July in Esparto, Calif., killed seven people. Five of the eight arrested, including a former local police officer, have been charged with murder.

CLOU's Active Ventilation Explosion-Proof System: Five top-mounted louvers engineered for rapid gas release and vertical flame direction, setting a

Validates safety performance of energy storage containers under real fire conditions by simulating: extreme thermal runaway propagation, explosion risks, and fire suppression system effectiveness.

Scientists at the Pacific Northwest National Laboratory developed this patent-pending deflagration prevention system for cabinet-style battery enclosures. Intellivent is designed to intelligently open

Authorities say five people have been charged with murder in a deadly Northern California explosion at a fireworks warehouse that killed seven people.

COLTON, Calif. (KABC) -- One person was found dead after a hydrogen truck explosion in Colton overnight,
