I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" does't sound formal. So, are there any alternatives

Contact our specialists for battery modules, communication cabinets, C& I storage, PV+storage systems, distributed energy, deep discharge, and turnkey manufacturing.

1 " Free " absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "fee speech", "free stuff" etc.

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years

These solar-integrated backup power units combine photovoltaic generation, lithium battery storage, and smart energy control into a compact, transportable container--delivering reliable electricity whenever

ICEENG CABINET serves customers in 18+ countries across Africa, providing outdoor communication cabinets, power equipment enclosures, and battery energy storage cabinets for telecommunications,

Our 20ft and 40ft expandable solar container house series combines solar energy systems with foldable structures, widely applied in emergency housing, mobile camps, ...

Our team at INFELC will provide you a free engineering consultation, for the most appropriate system for your needs. Use our Savings Calculator to evaluate your potential savings, and Get

Besides meeting the demand of energy in different scenarios, this container will enable optimized utilization of resources by introducing module design and a powerful electricity generation system.

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not
