Experience better online shipping with UPS. Send and deliver packages faster and easier than ever. Quote, pay, and get labels on ups

Ship and track domestic and international deliveries with UPS, one of the largest and most trusted global shipping and logistics companies.

Ship and track domestic and international deliveries with one of the largest and most trusted global shipping and logistics companies.

While container prices stabilized, the ripple effect continues. A standard 40HC container that cost \$3,500 pre-2023 now averages \$4,200 - and that's before adding solar components.

With our flat rate shipping option - UPS Simple Rate - choose the appropriate packaging and speed and ship anywhere in the U.S. for a predictable, flat rate.

UPS has the right guides and resources to help answer your shipping questions and ensure you can navigate the shipping process with confidence and ease.

Explore UPS shipping services, including ground, overnight and international options as well as flat rate shipping. Find reliable, affordable delivery speeds to fit to your needs.

Need to ship packages across the world? Let UPS be your logistics partner. Explore our services and simplify your shipping process.

Short version: From 2024, it costs between \$2,800 and \$5,500 to ship a 20-foot container of solar panels around the world, depending on origin, destination, fuel prices, and demand.

Discover how 250W panels fit 1,800 per container while 500W panels fit only 700, dramatically affecting freight costs. This verified guide
