The official video for "Low" by Flo Rida featuring T-Pain from "Step Up 2 The Streets O.S.T. / Mail On Sunday".

We manufacture high-quality automation cabinets designed for demanding applications such as power plants, marine vessels, water pumping stations,

We use low for things which are not high, or which are close to the ground or to the bottom of something:

Automation and distribution of power in power supply and control systems of a trace heating system. Used in various industries, energy, housing and utilities,
