We have been operating in Abu Dhabi for more than 40 years, playing a crucial role in serving both the ADNOC Group and the United Arab

PowerChina has secured a major contract worth \$1.9 billion for a large solar and energy storage project in Abu Dhabi, marking an important step in the clean energy transition of the United

Secure, weather-resistant portable shipping containers, also known as conex boxes, can be used for various industries and a wide range of storage needs.

As Abu Dhabi accelerates its transition to clean energy, innovative energy storage containers are emerging as game-changers. Discover how these modular power solutions are reshaping energy

What exactly does "waterproof" mean? Waterproof fabric provides the highest level of protection from exterior moisture. From a technical perspective, a fabric is considered waterproof when it reaches a

The Emirati state-owned renewables developer Masdar has begun construction on a giant solar-plus-storage project in Abu Dhabi. The roughly AED232 billion (US\$5.2GW of solar PV with a 19GWh

Shoes made with resilient materials to withstand wet weather. Engineered for serious breathability whilst locking liquid out. Free shipping & returns.

Masdar and Emirates Water and Electricity Co. (EWEC) plan to build a \$6 billion, 5 GW/19 GWh solar-plus-storage project in Abu Dhabi, with operations set to start by 2027.

At its most basic, waterproof means something that keeps the water off you. Water resistant means you won't immediately get wet, but if it really starts to rain, you will.

By reducing water and/or air in the product or packaging, these become more efficient to ship. At scale, these small differences in product size and weight can lead to carbon emission reductions. Carbon
